

Open Position: STEM Youth Program Facilitator

Welcome to La Colaborativa, a 501(c)(3) non-profit organization dedicated to empowering Latinx immigrants, enhancing community well-being, and advocating for accountability among institutional decision-makers.

Highlights

Position: Part-time STEM Youth Program Facilitator

Schedule: Monday to Friday, 2:00 PM - 6:00 PM

Duration: September 5th, 2023 - May 31st, 2024 (potential for renewal)

Location: 318 Broadway, Chelsea, MA, 02150

As a STEM Youth Program Facilitator, you will lead the design and implementation of an after-school youth jobs program with a strong STEM focus. Working with approximately 16 Chelsea youths aged 14-21, you will guide daily sessions, projects, and field trips that foster their engagement and learning in STEM subjects. This in-person program will take place in Chelsea, MA.

Key Responsibilities

- Project-Based Learning (80%): Develop and guide hands-on projects that encompass various STEM fields, such as engineering, biotechnology, and computer science, tailored to your expertise.
- Workforce Readiness Workshops (20%): Organize workshops on leadership, communication, and professionalism, enhancing youth's readiness for future careers. Design and facilitate these sessions, and create additional enrichment opportunities for youth, including field trips, inviting guest speakers, and more.
- Attend weekly team meetings and actively participate in organization-wide activities.

Qualifications and skills

- Mission-Driven Commitment: Exhibits a strong alignment with La Colaborativa's mission and values, reflecting a deep dedication to advancing equity, social justice, and the empowerment of the Latinx and immigrant community.
- Empathetic Sensitivity: Demonstrates a keen sense of empathy, cultural awareness, and sensitivity, enabling effective engagement with the unique needs of underprivileged youth.
- Educational Insight: Possesses a background in education or a track record of experience in project-based learning, showcasing the ability to create stimulating and impactful learning environments.
- Proficiency in STEM: Displays expertise in a STEM field, acquired through academic pursuit or industry engagement, highlighting the capacity to inspire and guide youth across diverse STEM domains.
- Bilingual Spanish-English speakers are strongly encouraged to apply.
- Your qualifications play a pivotal role in advancing our commitment to providing enriching experiences and fostering positive change for the youth we serve. Join us in making a difference in the lives of young individuals and fostering a brighter future for our community.

To apply:

If you are enthusiastic about our mission and the opportunity to empower youth through STEM education, please submit your resume and a cover letter to dinanyilip@la-colaborativa.org.

La Colaborativa is an equal-opportunity employer. La Colaborativa actively embraces diversity and welcomes applicants from a wide range of backgrounds and experiences.
